## 6 Problems and solutions found

<p>Please describe (if applicable) problems and solutions found during this reporting period as regards:</p> <ul style="list-style-type: none"> <li>- activities</li> <li>- outputs</li> <li>- partnership development and cooperation dynamics</li> <li>- investments</li> <li>- other</li> </ul>
<p>In this reporting period, the following solutions were found for the project: The decision of the Rivne City Council of 30.01.2020 № 6983 "On the Program of cross-border project " Cultural heritage of the kitchen - promotion of culinary traditions through the professionalization of the gastronomic offer of Lublin and Rivne " for 2020-2021", which provides co-financing of the project in the amount of 205 600 UAH (which is 10% of the total project cost).  The Lead Beneficiary of the project provides general monitoring, coordination and control of the project implementation, control of the use of funds in the implementation of project activities and establishing links between all project partners.</p> <p>The project team widely informs the public about the project implementation and culinary heritage of the city of Rivne.  The official presentation of the beginning of the project implementation took place.  <a href="https://www.youtube.com/watch?v=Py_G3cJ4d7Q">https://www.youtube.com/watch?v=Py_G3cJ4d7Q</a>  <a href="https://www.rv.gov.ua/news/na-rivnenshchini-rozvivatimut-kulinarnu-spadshchinu2705">https://www.rv.gov.ua/news/na-rivnenshchini-rozvivatimut-kulinarnu-spadshchinu2705</a>  <a href="https://rivne.online/archives/18119">https://rivne.online/archives/18119</a></p> <p>Beneficiary 1 is actively working on the implementation of the communication strategy. Thematic articles on the culinary heritage of Rivne were written on the basis of research conducted during the project and published in regional media.  Also one TV program about the project was recorded. Sphere FM channel, program "Rivne cultural"  <a href="https://www.youtube.com/watch?feature=youtu.be&amp;fbclid=IwAR2fPHj0q64eqMJtr5AsiOIkFeDzUw9YbRDUUn3eksirALFseKkpPBjlUU&amp;v=fupzoaenfW0&amp;app=desktop">https://www.youtube.com/watch?feature=youtu.be&amp;fbclid=IwAR2fPHj0q64eqMJtr5AsiOIkFeDzUw9YbRDUUn3eksirALFseKkpPBjlUU&amp;v=fupzoaenfW0&amp;app=desktop</a></p> <p>In connection with the pandemic, the official start of the communication strategy of the project was delayed in Rivne (the official presentation took place on May 27). However, this will not affect the general media coverage of the project. The presentation of the video "Matsyk" and the culinary catalog has been postponed to the third quarter of the project, due to delays in implementation. The delay was also due to quarantine.  Due to the covid-19 pandemic, Beneficiary 2 had to postpone the implementation of activities that require the participation of residents and guests of the city. The change in the organizational structure of Beneficiary 2 also extended the process of officially appointing of the project team.  In connection with the above-mentioned problems, the Lead Beneficiary requested prolongation of the project implementation period from 12 to 18 months.</p>
